

Nutricidin

Support for Healthy Gut Barrier Function and Microbial Balance*

Nutricidin is a bioactive formula supporting a healthy microbiome and overall gastrointestinal health.*

How Nutricidin Works

The unique formula of Nutricidin consists of 9 extracts and oils that contain natural bioactive compounds exhibiting synergistic antioxidant effects.^{1,2} However, the naturally-occurring phytochemicals of essential oils combined with serratiopeptidase, a proteolytic enzyme, and calcium EDTA give Nutricidin the additional ability to support a healthy gut barrier in the digestive system.*^{3,4,5}

Clusters of microorganisms join together to form biofilms, slimy substances that provide some protection for the bacteria living there.⁶ The ingredients in Nutricidin may help weaken biofilm structures.*^{3,4,5}

Phytochemicals from the oils, serratiopeptidase and calcium EDTA work synergistically to weaken and break through the biofilm barrier.*

After breaking through the biofilm barrier, the bioactive formula of oils and extracts in Nutricidin can begin working to help maintain symbiosis in the digestive tract and support a healthy immune system.*

Nutricidin Supplementation

The ingredients in Nutricidin are dosed in a manner that is congruous with what research suggests to be effective and safe, particularly for aiding in a healthy microbiome.*

Research suggests that the ingredients in Nutricidin may support a balanced gut microbiome and a healthy immune system.*

The unique ingredients in Nutricidin may:

- Support healthy biofilms*
- Improve microbial balance*
- Support a healthy GI system*
- Support a healthy immune system*

Form: 60/120 Softgels

Serving Size: 2 Softgels

Ingredients	Amount	%DV
Calcium (as calcium EDTA)	36 mg	3%
Calcium EDTA	400 mg	**
Ginger Root Extract (<i>Zingiber officinale</i> ; standardized to 5% gingerols)	250 mg	**
Oregano Oil (<i>Origanum vulgare</i>)	100 mg	**
Coriander Seed Oil (<i>Coriandrum sativum</i>)	100 mg	**
Black Cumin Seed Oil (<i>Bunium persicum</i>)	100 mg	**
Basil Seed Oil (<i>Ocimum basilicum</i>)	100 mg	**
Fennel Seed Oil (<i>Foeniculum vulgare</i>)	100 mg	**
Red Thyme Oil (<i>Thymus vulgaris</i>)	75 mg	**
Cinnamon Bark Oil (<i>Cinnamomum verum</i>)	75 mg	**
Clove Leaf Oil (<i>Syzygium aromaticum</i>)	75 mg	**
Serratiopeptidase	30,000 SPU	**

Other Ingredients:

Gelatin, sunflower seed oil, glycerin, yellow beeswax, purified water, sunflower lecithin, carob.

Directions:

Take two softgels daily with food or as directed by your healthcare practitioner.

Caution: If you are pregnant, nursing, or taking medication, consult your healthcare practitioner before use. Keep out of reach of children.

GLUTEN-FREE

DAIRY-FREE

NON-GMO

PRODUCED IN A cGMP FACILITY
