

META ARREST PRO

What Is META ARREST PRO?

TonicSea Meta Arrest Pro is a premium supplement containing an evidence-based formula for supporting healthy vascular function.* The nutrients in Meta Arrest Pro also work by supporting healthy inflammatory response and antioxidant status, along with promoting cellular energy production.*

Read on to learn more about how the nutrients in Meta Arrest Pro work physiologically and the research backing their efficacy, as well as how to use the product and what makes TonicSea Meta Arrest Pro superior to the competition for supporting vascular function.*

How META ARREST PRO Works

Meta Arrest Pro is formulated with a comprehensive panel of vascular-support ingredients, including research-backed herbal extracts, bioavailable vitamins & minerals, alpha-lipoic acid (ALA), acetyl L-carnitine (ALCAR), and N-acetyl L-cysteine (NAC).*

Herbal Extracts: Resveratrol, Green Tea Extract, Turmeric Root Extract, Korean Ginseng

Resveratrol contains a powerful profile of antioxidants, especially proanthocyanidins which have been demonstrated to support healthy blood pressure already in the healthy range and blood flow by expanding blood vessels.* Meta Arrest Pro also contains green tea leaf extract, turmeric root extract, and Korean ginseng, which provide catechins, curcuminoids, and other phytonutrients that support vascular function by acting on vascular endothelial growth factor (VEGF).* These extracts also support antioxidant status by acting on reactive oxygen species in the body.*

Alpha-Lipoic Acid (ALA), Acetyl-L-Carnitine (ALCAR), and N-Acetyl-L-Cysteine (NAC)

NAC and ALA are shown in research to promote proper blood flow throughout the cardiovascular system by encouraging the activity of nitric oxide—a molecule that is involved in vasodilation.*

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.

Healthy blood flow is crucial for cells to help the body produce energy as blood carries oxygen and nutrients, as well as helping remove toxic chemicals, thereby supporting healthy vascular function.*

Furthermore, Meta Arrest Pro contains ALCAR, a highly-bioavailable form L-carnitine. Sufficient carnitine is important in cellular metabolism and works in synergy with ALA to regulate oxidative stress.* Carnitine helps transport long-chain fatty acids into the mitochondria for their breakdown to occur, enabling your body to use them for energy instead of storing them.*

Select Bioavailable Vitamins and Minerals

Meta Arrest Pro is rounded out with an evidence-based blend of bioavailable vitamins and minerals, including key B vitamins, vitamin D, selenium, and zinc, which work synergistically to support vascular function and cellular energy production.*

META ARREST PRO Supplementation

Given the role of the ingredients in Meta Arrest Pro for supporting healthy vascular function and energy production, supplementation can assist users in a multitude of ways.* These evidence-based benefits may include:

- Supports healthy vascular function*
- Supports cellular energy production*
- Supports blood flow and nitric oxide production*
- Provide antioxidant support throughout the body*

META ARREST PRO Dosing Recommendations

Supplement Facts		
Serving Size: 2 Capsules		
Servings Per Container: 60		
	Amount Per Serving	%DV*
Vitamin D3 (as Cholecalciferol)	500 IU	125%
Thiamine (as Mononitrate)	25 mg	1667%
Vitamin B2 (as Riboflavin)	5 mg	294%
Vitamin B3 (as Niacin)	5 mg	25%
Folate (as [6S]-5-Methyltetrahydrofolic Acid, Glucosamine Salt ¹)	200 mcg	50%
Vitamin B6 (as Pyridoxine HCl)	25 mg	1250%
Vitamin B12 (as Methylcobalamin)	250 mcg	4167%
Biotin	500 mcg	167%
Vitamin B5 (as D-Calcium Pantothenate)	125 mg	1250%
Zinc (as Oxide)	12.5 mg	83%
Selenium (as Chelate)	25 mcg	36%
Curcumin [as Turmeric Root Extract (<i>Curcuma longa</i> L.)]	200 mg	**
Alpha Lipoic Acid	150 mg	**
N-Acetyl-L-Cysteine	150 mg	**
Acetyl L-Carnitine HCl	125 mg	**
Green Tea Leaf Extract (<i>Camellia sinensis</i>)	125 mg	**
Korean Ginseng (as Panax Ginseng Root Powder)	125 mg	**
Resveratrol [as Japanese Knotweed Root (<i>Polygonum cuspidatum</i>)]	8 mg	**

*Percent Daily Values are based on a 2,000 calorie diet.
**Daily Value (DV) not established.

Other Ingredients: Hypromellose (vegetable capsule) and magnesium stearate.

This product is GLUTEN FREE, DAIRY FREE, VEGETARIAN, and NON GMO

¹As Quatrefolic® a registered trademark material of Gnosis SpA and is assigned Patent, No. 7,947,662.

Take two capsules daily - preferably prior to a meal containing fat - as a dietary supplement, or as directed by your healthcare practitioner.

Note: If you are pregnant, nursing, or taking medication, consult your healthcare practitioner before use. Keep out of reach of children.
